

## NOW AN EVEN BREAK WITH MISSOURI

### Paducah Won Yesterday's Game From the Poplar Bluff Boys.

Some Late News of the K. I. T.  
League—National Results For  
Yesterday.

#### CAIRO RELEASING PLAYERS

The game at Poplar Bluff yesterday was won by Paducah, the score being 6 to 2. Brabie pitched for Paducah, and the Missouri boys made only six hits off him, while the Indians got seven hits to their credit off the Poplar Bluff man. They wind up the series today and return home tomorrow.

A game with the Cherokee Indians will be played about Tuesday, if possible to arrange for this date. President Jackson is dickering for Evansville to come here and play but has made no definite arrangement and until he does will not know when the game with the Indians will be arranged.

Manager Scullin, of Cairo, has released a number of players because the club was carrying too many men. Those let out were: Brockett, brother to the champion of last year's club, Daubs, Karnes and Glover. Cairo still has the following pitchers: Holycross, Wilder, Wagner, Wallace, Doll and Bittroff.

Eddie Powers, who was tried out at Louisville and didn't make good, has been released by Cairo and goes to Ft. Wayne, Ind., where he will get \$135 a month. Cairo released him because it was a good chance for him to rise in the baseball world and he is a Cairo boy.

The official scores of the K. I. T. League are: Cairo, John H. Ladd; Clarksville, V. H. Ward; Hopkinsville, W. H. Cummings, Jr.; Vincennes, Perry D. Green; Paducah, Ed C. Rollston.

Justice Gaynor, in Brooklyn, N. Y., declared Sunday baseball legal, discharging all prisoners, and deciding that the commissioner who caused the arrests exceeded his authority.

## NEW WHARFBOAT

### TENNESSEE RIVER PACKET COMPANY TO USE THE BIG ONE HERE.

The big iron stage wharfboat recently sent here from St. Louis by the St. Louis and Tennessee River Packet Co. for repairs will be let off the marine ways today, and it has been decided will be used by the packet company as a private wharfboat, temporarily, at least.

The big monster boat will be moored just back of the flour mill between the marine ways property and the St. Bernard coal company docks, and an excellent levee can be had at the foot of Washington street. The wharf will be used for the boats of the packet company exclusively. The boats which will land there are the Clyde, Tennessee, Memphis and Savannah.

It was at first supposed that the boat would take the place of one of the Fowler wharfboats, but no arrangements could be made by which the Fowler boats could be transferred elsewhere. The new boat has 66 by 15 foot iron stages and the teams drive onto the boat and off. This is a great improvement in handling river freight and will be a luxury to the teamsters here.

## Theatrical Notes.

The Ethel Tucker Stock company began a four weeks engagement last night at the Kentucky theater, playing "Love's Sacrifice" to a large and appreciative audience. It soon became evident that the work was in the hands of capable people, and there was not a hitch in the performance during the entire four acts. Miss Tucker is destined to become a favorite in Paducah. She is attractive, vivacious and her emotional work as well as her comedy, are unusually clever. It was evident last night that in the part of "Ann Cruger" Miss Tucker did not have an opportunity to develop her full power and do herself justice, although there were difficult scenes, all of which she most cleverly handled.

Mr. Whit Brandon, in the leads, sustained the excellent reputation he made here in other companies. He is a young actor whose work is conscientious and successful, and he will be found equal to all occasions. Charles Kendall in the heavy, R. E. Johnson as "Judge Knox," Arthur Van, as "the King of Wall Street," and Otto Peck, in an old man character, all did well. Mrs. R. E. Johnson in character roles, Miss Margaret Gede-roth in an ingenue part and Eleanor Kendall as one of the heroines could not have been improved on.

Not the least important in the cast by any means was little Miss Pearl Riley, of Paducah, daughter of the well known photographer, who played in a most captivating manner the part of a street urchin. It is not little Miss Riley's first appearance on the stage, and she won quite a great deal of applause.

The entire performance was one of the best of its kind ever seen in Paducah and indicates that the company will become general favorites in Paducah. There were some good specialties last night by Mr. Johnson, Mr. Van, Mr. Peck and Miss Dederroth, the latter possessing a "double voice," one voice being a deep contralto. The company will change the bill nightly, and will give Paducah some of the best plays ever seen here in stock. Those who go to the Kentucky are certain to enjoy a good performance.

Prof. John Dean's concert band of 20 men will shortly give an open air concert on the corner of Fifth and Broadway, and this will be the initial appearance of the band this summer.

Prof. Dean has an entirely new repertoire of music and will arrange an especial programme of the latest marches and overtures and selections from operas. One number on the programme which will be hailed with much delight by the music loving public is a selection from Robin Hood, the opera recently sung here by the Bostonians.

Mr. Joe Augustus, formerly of Paducah, but now of Vicksburg, Miss., is in the city on a visit.

Mr. Augustus has been taking vocal lessons and had been out with a minstrel company since he left Paducah over a year ago. He has aspirations to be a singer and has a strong voice. He will continue his musical studies and go on the stage permanently when he has completed them.

The benefit for Treasurer Tom Roberts, of the Kentucky theater, will be given on the night of May 12th at the Kentucky and the Ethel Tucker Stock Company will present "Are You An Odd Fellow." Mr. Roberts has made a fine record at the Kentucky, and has already been assured a large crowd on the evening in question.

## ELLWOOD WON

### LARGE AMOUNTS DROPPED AT YESTERDAY'S DERBY.

Louisville, Ky., May 3.—Ellwood won the derby yesterday before a crowd of 25,000. Ed Tierney came second and Brancas third. Proceeds the favorite in the betting, running fourth. Two hundred and fifty thousand dollars was lost on the last three horses.

Ellwood is owned by Mrs. Laska Durnell, of Philadelphia, and was sent from California. The betting started at 15 to 1 on Ellwood. Many won large sums on this horse.

An eighth mile from the wire it looked like Brancas, at 50 yards from the wire it looked like Tierney but Ellwood won with a bounding leap at the finish. Proceeds sold 6 to 5. Time, 2:08.

## COST A TEN SPOT TO PLAY THE JOKE

### Young Man Who Called the Po- lice "For Fun" Fined.

A Fugitive Who Shot a Man Last  
October Wearies of Dodging  
and Surrenders.

#### OTHER POLICE NOTES

Butler Fondaw, a young man employed at the Cohankus Mfg. Co., was fined \$10 and costs this morning by Police Judge Sanders for attempting an alleged joke on Officer William Rogers. Like many other practical jokes, it did not turn out so funny to the young man as he supposed.

Fondaw Sunday night was at the Houseman grocery store and telephoned Officer William Rogers, who patrols that beat, to "come running" there was "something doing" and the officer was needed instantly. Officer Rogers made a quick run and arriving at the grocery found it to have been a false alarm. He investigated and learned Fondaw was responsible for the telephone message and took out a warrant against him yesterday.

Judge Sanders did not approve of such conduct and gave the young man a reprimand in court, which with the fine will probably enable him to respect the law and its officers hereafter.

The case against Mack Hassell, colored, for breach of the peace, was continued until tomorrow.

Lucy Dollen and Lizzie Mason, colored, who used profane and insulting language towards each other, were fined \$5 and costs.

The vagrancy charge against Hubert Dunning, colored, and Charley Horner, white, were continued.

The case against Robert Torian for conducting a produce business without a city license, was continued.

Two cases against Fletcher Terrell for running teams without a license,

and for conducting a sales stable without a license, were continued.

The case against Ed. Perkins, colored, for false swearing was set for tomorrow morning.

Tee Mack, colored, who shot at a negro named Williams on the 29th of October, 1903, surrendered last night saying he was tired of dodging the police. His case was continued until tomorrow.

The case against Lizzie Jones, colored, for failing to license her dog, was dismissed, the woman having taken out a license.

Chief Collins has two cows in the city pound waiting for owners to claim them, and unless the cows are taken out within a few days they will be tried in court and sold. They were arrested in Mechanicsburg.

#### GRAND SALE OF LOTS.

The Northview Realty and Improvement company has about 70 lots on 11th and 12th streets, in Paducah, Ky., which it will offer for PUBLIC SALE most reasonable terms, in JUNE NEXT, unless sold before that time. These lots are situated in Paducah, Ky., and lie between Rotgering's farm and the city.

The streets have been lately gravelled. The lots have beautiful shade trees on them, and lie high above the streets.

An ordinance has been adopted to extend 12th street on beyond this property to Rowlandtown, and the street car company will extend its line from Trimble street on down 12th street by this property to Rowlandtown.

This property is certainly most attractive and desirable, and will soon be built up. There are no lots in the suburbs of Paducah more desirable for homes. The adjacent property is being rapidly improved, many houses having been erected recently. For particulars apply to W. D. Greer, General Manager, Paducah, Ky., March 15, 1904.
